**THE DAILY RECORD ANNOUNCES  
2018 LEADERSHIP IN LAW AWARDS**

**Baltimore, Md., (March 26, 2018)** — *The Daily Record* selected Gregory P. Care, a partner at Brown, Goldstein & Levy, to receive the 2018 Leadership in Law Award.

Leadership in Law Awards recognize Maryland's legal professionals – lawyers and judges – whose dedication to their occupation and to their communities is outstanding.

"The recipients of this year's Leadership in Law and Lifetime Achievement awards are outstanding leaders in the legal profession and also in the greater community. They are actively involved in making the communities in which they live and work the best they can be," said Suzanne Fischer-Huettner, publisher of *The Daily Record*.

Greg's practice involves a diverse array of civil litigation and appeals, including employment matters, personal torts, business disputes, family law, and disability rights cases representing persons with disabilities facing barriers to physical accessibility and access to technology.

For years, Greg has dedicated a substantial part of his practice to representing resident physicians facing discipline during their training and advising other medical professionals in disputes with their employers. Greg knows graduate medical education and academic medicine, as well as the difficulties that can arise and their solutions.

The 2018 Leadership in Law Awards will be presented May 17 at a reception and dinner starting at 5:30 p.m. at the BWI Hilton, 1739 West Nursery Road in Linthicum Heights.
